Hello University Students!

Are you ready to put your coding skills, algorithmic thinking, and brainteaser-solving abilities to the test? Join us for an exciting Coding Quiz Night (no particular coding language is required) at our firm premises!

We are waiting for nominations of teams of 5, so gather your friends and form a team to compete!

This is your chance to play, win, and network with like-minded individuals and BlackRock colleagues.

How to sign up:
https://pages.beamery.com/blackrock/page/aladdin-coding-quiz-night

📅 **Date:** 2024-Dec-5
🕐 **Time:** 16:00-20:00
📍 **Location:** Budapest Office (Exact address to be confirmed with a confirmation email)

Why You Should Join:
- **Challenge Yourself:** Test your coding knowledge, algorithmic thinking, and brainteaser-solving skills with fun and engaging quizzes.
- **Win Prizes:** Stand a chance to win amazing prizes for top performers.
- **Network:** Meet and connect with professionals, fellow students, and BlackRock colleagues in the tech industry.

Additionally, you can learn about open student worker roles and explore potential career opportunities with us.

Registering for the event also signs you up to join our Talent Community so you can stay up to date!! Get information on our early career opportunities, upcoming events and life at the firm – straight to your inbox.

Instructions for filling out the form:
- Ensure all fields in the form are completed before submission.
- Use your student OR student organization email address for registration.

- Assign a name and a lead for your team
- Please note that registration alone does not confirm your attendance. A confirmation email will be sent closer to the event date, providing details such as the exact location and address.

Don't miss out on this exciting event. Bring your friends and make it a night to remember! **RSVP Now!** https://pages.beamery.com/blackrock/page/aladdin-coding-quiz-night

See you there! 🚀
